PROGRAM INFORMATION

PROGRAM OVERVIEW

FCCC is a licensed program committed to providing professional care for school-age children in a safe, caring and familiar environment. The program, delivered through a non-profit corporation, is governed by a Volunteer Board of Directors consisting of agency representatives, community members and parents. Day to day operations are overseen by the Executive Director. Each site is managed by a Site Manager and their staff of Assistant Site Managers and Child Care Assistants sufficient to maintain licensing ratios. FCCC provides children with a wide variety of developmentally appropriate activities, a positive environment that encourages the development of problem solving skills through social interaction.

Our Mission Statement: Fauquier Community Child Care (FCCC) seeks to elevate the quality of all child care services available in Fauquier County for children, youth, and families. FCCC promotes the growth and development of the whole child in an atmosphere where our core values are preserved. FCCC provides continuous high quality, affordable, accessible, safe child care to meet the out-of-school needs of children being supported in Fauquier County Public Schools within nurturing environments that encourage children to grow, interact and play. FCCC also supports other providers and services to improve child care for all youth and children within child care programs in Fauquier County.

ADMISSIONS/ENROLLMENT

FCCC programs are open to all school-aged children, without regard to race, sex, religion, national or ethnic origin.

- To be eligible for FCCC's K-4 Camp program rising kindergarteners must be age 5 by September 30, 2019 and entering Kindergarten in the fall; all others must be graduated Kindergarten through 4th grade.
- To be eligible for FCCC's Teen Camp program children must have graduated 5th grade and do not turn 15 before 7/27/19.
- All children participating in the program must be able to manage their toileting needs independently.
- All accounts are verified for outstanding balances. Any balance must be paid before enrollment is considered final.
- All enrollment paperwork must be complete in its entirety for a child to participate.
- Program operation at each site is contingent upon adequate enrollment; if a camp site is closed for low enrollment, enrollees will be notified as quickly as possible.

SERVING STUDENTS WITH SPECIAL NEEDS

Each of our centers serves between 20 and 70 children on a daily basis. FCCC serves all eligible children if there is space available, including children with special needs unless accommodating the student would require a fundamental change to the program or the student poses a threat to the health and safety of self or others.

FCCC will consider each student with special needs individually to determine if FCCC is the best fit for the child. FCCC will consider the following factors in making determinations for the child's enrollment in FCCC:

- The child's ability to function in an environment of 20-70 children
- The child's ability to function in a large open space such as the gymnasium or outdoor spaces.
- The child's ability to function with a staff to child ratio of 1:15
- The child's need for individual supervision

Where appropriate, FCCC will request parent permission to consult with teachers and school administrators.

MANDATORY RECORDS

A physical (no more than two years old) and immunization records must be provided for all **NEW** enrollees; both documents must be signed and/or stamped by the physician. FCCC is required to verify the identity of all children enrolling in our summer camp program. In order to verify identity you must show an original certificate of birth at time of enrollment. All records must be submitted to secure enrollment in the program.

CONFIDENTIALITY

All information obtained will be kept confidential. Additional information, such as the USDA Income Eligibility Form, is requested solely for the purpose of completing governmental reports, grant applications and audits. Your assistance in completing all information is necessary for FCCC to remain in compliance with the USDA's Child and Adult Care Food Program.

Requests for release of information must be made in writing to the Executive Director.

CUSTODY

- A custodial parent has a right to be admitted to the site when their child is in care.
- Appropriate legal documentation shall be on file when a custodial parent or the court system denies the non-custodial parent visitation or permission to pick up a child.

PARENT INVOLVEMENT

Parents are encouraged to become actively involved with the program by volunteering to attend and assist with programs, participate in family events and projects, or share skills or interests with the children. You will be kept apprised of program information and community affairs through flyers, calendars, our web site, Facebook, and the Parent Board located at each site.

If you would like to accompany your child on a field trip FCCC is required to have criminal background clearances and a completed volunteer application for each chaperone. To insure that FCCC has ample time to process the necessary documents by the time summer camp begins we ask that all paperwork be complete by May 17, 2019. Paperwork is available at the main office.

ILLNESS POLICY

In order to maintain the health and safety of all children the Department of Social Services Division of Licensing requires that all licensed child care adhere to the following regulation.

22 VAC 15-30-570. Preventing the spread of disease.

- A) A child shall not be allowed to attend the center for the day if they have:
 - 1) A temperature over 101°F;
 - 2) Recurrent vomiting or diarrhea; or
 - 3) A communicable disease.
- B) If a child needs to be excluded according to subsection A of this section, the following shall apply:
 - 1) Arrangements shall be made for the child to leave the center as soon as possible after the signs or symptoms are noticed; and
 - 2) The child shall remain in the designated quiet area until leaving the center.
- C) When children at the center have been exposed to a communicable disease listed in the Department of Health's current communicable disease chart, the parents shall be notified within 24 hours or the next business day of the center's having been informed unless forbidden by law, except for life threatening diseases, which must be reported to parents immediately.
- D) The center shall consult the local department of health if there is a question about the communicability of a disease.
- E) When any surface has been contaminated with body fluids, it shall be cleaned and sanitized.

To remain in compliance with the above regulation the Executive Director must be notified within 24 hours if a child or a member of the immediate household contracts a contagious illness. Life threatening diseases must be reported immediately. FCCC is required to post a written notice on the Parent Bulletin Board informing parents of the presence of the illness in the program. All identities will be kept confidential. Children must be free of fever, vomiting, and diarrhea for 24 hours before returning to FCCC.

MEDICATION POLICY

FCCC will only administer medications required for emergencies or by law. Emergency Medications include any medication needed for any severe adverse reactions to foods and/or environmental allergens. Emergency medications are also defined as medications needed for a child with special health care needs. All emergency medications must be in the original container with the prescription label affixed. The dosage amount and time to be administered must match the dosage amount and administration time on the medication container label. The medication

label must contain the first and last name of the child to whom the medication is to be administered. An FCCC Emergency Medication Authorization form, and a Plan of Action form, must be completed by both the parent and signed by the prescribing physician. Authorization to administer the emergency medication is valid for 12 months.

- All enrollees with severe allergies, food or environmental, must have the appropriate paperwork and medication at FCCC.
- FCCC does not have the ability to keep medication refrigerated.
- Children are not permitted to deliver or self-administer medication to be taken during program hours.
- Due to the possibility of adverse reactions, the program is unable to administer the first dosage of any new medication.

DAILY REMINDERS

SIGN-IN & SIGN-OUT PROCEDURES

Each child must be walked into the program and signed in. Do not leave your child unsupervised by dropping them off early. Each child must be signed out at the end of the day; please sign full name or initials. Children will be released to an authorized person as directed by their custodial parent(s) or legal guardian(s) (must be 16 or older), photo identification required.

BELONGINGS

Clearly mark your child's belongings with their first and last name to help prevent lost items. We are not responsible for missing or damaged items. Electronic equipment or toys, including cell phones, are not permitted.

DRESS CODE

FCCC follows the dress code of Fauquier County Public Schools. The following items are considered improper dress and parents will be notified. Should improper attire persist the child will not be allowed to attend FCCC.

- Sunglasses are not permitted indoors
- Sheer garments
- Garments that expose the midriff.
- Short-shorts or skirts. Minimum length is fingertip length.
- Clothing with offensive language.

FCCC encourages children to play and take part in physical activities. In order to keep the children safe FCCC enrollees must wear closed toed shoes that remain securely on their feet. Tennis shoes are preferred.

One-piece bathing suits or a full coverage tankini are required when swimming.

Children must wear their FCCC T-Shirt on Field Trip days.

Rising kindergarteners, please provide an extra change of clothes.

LUNCH AND SNACKS

A bag lunch with two non-caffeinated drinks needs to be brought every day. Children may not attend without a lunch. If your child does not have a lunch the parent will be called and will be given an opportunity to have a lunch brought to their child prior to the children leaving the site for their daily activities. If FCCC provides your child a lunch you will be charged \$5.00, due upon pick-up. No glass, hot drinks, caffeinated drinks or soda are permitted.

Snack calendars will be posted on the parent bulletin board showing what will be served daily. While children are allowed to bring snacks from home, they must adhere to The National Afterschool Association's Healthy Eating Standards. Children may bring fruits, vegetables, whole grain breads and bagels, protein and dairy products. Food items that are predominately sugar, juice or flavored milk, candy and sweet treats are no longer acceptable items to bring for snacks.

SUN BLOCK & INSECT REPELLENT

Please apply sun block to your child prior to arriving to camp each day. FCCC will provide sun block for off-site field trips. FCCC's enrollment packet requests written parent authorization noting any known adverse reactions to sun block and insect repellent. Your signature also allows FCCC staff to apply sun block when necessary. If your child has an allergy or sensitivity to sun block we ask that you provide sun block for them. Sun block and/or insect repellent must be in their original containers labeled with your child's name. An authorization form must be completed in order to apply insect repellent.

BUS SAFETY AND CONDUCT RULES

Any violation of these rules will be reported to Administrative Staff of FCCC and may result in disciplinary action.

- Children are to remain seated at all times while the bus is in motion.
- Any damage to seats or other equipment must be paid for by the child's parent or guardian.
- The bus will be kept clean, sanitary and orderly.
- Profanity, loud conversation, loud noises and yelling are prohibited.
- Fighting while on the bus will not be tolerated.
- No objects, including body parts, may pass through a window.
- Remain seated until the bus has come to a complete stop.
- When crossing the road, cross ten to fifteen feet in front of the bus after the driver has given the "Go Ahead".
- Items cannot be placed in the aisle, near the front or rear door, or occupy a seat needed by another child.
- The bus driver or staff member may assign a seat to a child.
- While on the bus you must obey the bus driver at all times. The bus driver is an FCCC Staff Member and is entitled to respectful behavior and manners.

CODE OF CONDUCT

Failure to abide by the Code of Conduct can result in discipline action and/or dismissal.

- I will treat other people with respect, the same way I would like them to treat me.
- I will be honest, fair and responsible.
- I will use my hands responsibly.
- I will only use appropriate language when speaking to others.
- I will follow the FCCC rules.

DISCIPLINE

The goal of discipline is to assist the children in developing the skills to solve problems independently, without physical or verbal aggression. Staff will model appropriate conflict resolution techniques and will be available to assist children in resolving conflicts.

Other acceptable methods of discipline employed by FCCC include positive reinforcement, time out, redirection and discussion intended to solve a dispute, and, combinations of each of these strategies as appropriate to the child and the circumstances. Unacceptable measures of discipline such as physical punishment or withholding food will not be used.

Upon recommendation from an FCCC staff person, the Executive Director reserves the right to restrict a child from a field trip or special activity as a consequence of inappropriate behavior. If a child is denied the privilege of attending a field trip, it will be the responsibility of the parent to provide alternate care for that day. FCCC reserves the right to remove a child from the program when parents fail to support the program. Failure to follow the FCCC policies, engaging in inappropriate behavior or language will result in dismissal from the program.

- **First Infraction:** Policy Reminder and written Incident Report given to parent. Parent signature required.
- **Second Infraction:** Policy Reminder, written Incident Report and a meeting with Administrative Staff, Site Staff and parent(s). Parent signature required.
- **Third Infraction:** Immediate removal from the program for 5 enrolled business days, or appropriate time as determined by the Executive Director. Written Incident Report and a meeting with the Executive Director and appropriate staff. Parent signature required. Fees are not refunded.

BULLYING POLICY

FCCC will not tolerate physical aggression and stealing. Children engaging in such activity are subject to expulsion at the discretion of FCCC. Bullying among children is understood as a negative act or acts committed by one or more students against another, having an intimidating, detrimental, or hurtful effect. Bullying is defined as direct behaviors, such as teasing, taunting, or threatening which are initiated by one or more children against another child. In addition to direct acts, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Such prohibited conduct includes (in addition to those bullying behaviors described above), but is not limited to, any verbal, written, electronic, physical or mental teasing, or threat of bodily harm directed toward another child.

If a child at FCCC is bullying or is involved in bullying another child the following actions will be taken:

- **First Infraction:** A verbal warning will be issued to the child along with a written warning to be given to the parent. The written warning will require signatures from both the parent and the child.
- **Second Infraction:** Child may be suspended from program for up to 5 days.
- **Third Infraction:** Child will be removed from program until such time as the child's parent(s) has met with the Executive Director who will determine the child's eligibility to re-enter the program.

In following these procedures, we aim to encourage improvement in your child's conduct. The procedure is not necessarily a progressive one and we reserve the right to initiate the process at any stage, including termination from the program, or to jump stages if your child's conduct warrants such a decision.

THREATS

All potential threats whether verbal or physical are taken seriously at FCCC. If a child threatens another child or a staff member the following protocol will be followed. The child will receive an incident report. The child may be suspended from FCCC for up to 30 days depending on the incident. Tuition is not prorated or refunded for suspensions.

FCCC will inform the Principal of the school who may choose to have a threat assessment conducted.

Short-term care is to be no longer than two days per week. Pre-approval from the Executive Director must be obtained before being used for a longer period of time. A Punch Card entitles you to 10 hours of care. Any portion of an hour used will constitute the use of an entire hour. Punch Cards are not always the most cost-effective way to manage your child care needs. Upon request, FCCC will advise you as to the cost-effectiveness of using a Punch Card for your particular needs.

Punch Cards expire 12 months from the issue date. Accounts are charged for a new Punch Card when the current one expires.

- Punch Cards can be used if your child is currently enrolled in Camp Only Care and you need occasional care beyond the Camp Only hours.
- Punch Cards cannot be used for Camp Only Care.
 - Punch Card families must call the site 24-hours before care is needed to ensure that we are able to accommodate the child. If a site is full the Site Manager may not be able to care for the child on that day, in accordance with licensing standards. Failure to provide 24-hour notice may be considered failure to support the program.

In order to purchase and use a Punch Card a family must:

- Complete an enrollment packet for the child.
- Enroll as Camp Only Care.
- Pay a \$55.00 non-refundable registration fee.
- Follow the Punch Card Policies as stated: I understand that a Punch Card has 10 hours of care and any portion of an hour used will be counted as 1 hour of care per child. I also understand that I must provide FCCC 24-hours notice prior to using our Punch Card and that all other FCCC policies apply.
