### PROGRAM INFORMATION

#### PROGRAM OVERVIEW

FCCC is a licensed program committed to providing professional care for school-age children in a safe, caring and familiar environment. The program, delivered through a non-profit corporation, is governed by a Volunteer Board of Directors consisting of agency representatives, community members and parents. Day to day operations are overseen by the Executive Director. Each site is managed by a Site Manager and their staff of Assistant Site Managers and Child Care assistants sufficient to maintain licensing ratios. FCCC provides children with a wide variety of developmentally appropriate activities, a positive environment that encourages the development of problem-solving skills through social interaction.

**Our Mission Statement:** Fauquier Community Child Care (FCCC) seeks to elevate the quality of all child care services available in Fauquier County for children, youth and families. FCCC promotes the growth and development of the whole child in an atmosphere where our core values are preserved. FCCC provides continuous high quality, affordable, accessible, safe child care to meet the out-of-school needs of children being supported in Fauquier County Public Schools within nurturing environments that encourage children to grow, interact and play. FCCC also supports other providers and services to improve child care for all youth and children within child care programs in Fauquier County.

#### ADMISSIONS/ENROLLMENT

FCCC programs are open to all school-aged children, without regard to race, sex, religion, national or ethnic origin.

- Enrollment is for children attending public schools, Kindergarten up to age 13. Admission is on a first-come, first-serve basis.
- All children participating in the program must be able to manage their toileting needs independently.
- All accounts are verified for outstanding balances. Any balance must be paid before enrollment is considered final.
- All enrollment paperwork must be complete in its entirety for a child to participate.

Program operation at each site is contingent upon adequate enrollment; if operation is terminated for low enrollment, enrollees will be notified as quickly as possible.

FCCC **does not** provide transportation between schools. For transportation questions or concerns call **Fauquier County Transportation at (540) 422-7240**.

## **SERVING STUDENTS WITH SPECIAL NEEDS**

FCCC is a recreation-based program that provides children with an opportunity to complete their homework. Each of our centers serves between 20 and 70 children on a daily basis. FCCC serves all eligible children if there is space available, including children with special needs unless accommodating the student would require a fundamental change to the program or there is a concern for the health and safety of self or others.

FCCC will consider each student with special needs individually to determine if FCCC is the best fit for the child. FCCC will consider the following factors in making determinations for the child's enrollment in FCCC:

- The child's ability to function in an environment of 20-70 children
- The child's ability to function in a large open space such as the gymnasium or outdoor spaces.
- The child's ability to function with a staff to child ratio of 1:18
- The child's need for individual supervision

Where appropriate, FCCC will request parent permission to consult with teachers and school administrators.

## **MANDATORY RECORDS**

A physical (no more than two years old) and immunization records must be provided for all **NEW** enrollees; both documents must be signed and/or stamped by the physician. FCCC is required to verify the identity of all new, non-county and private school enrollees. In order to verify identity, you must show an original certificate of birth at time of enrollment. All records must be submitted to secure enrollment in the program.

## **CONFIDENTIALITY**

All information obtained will be kept confidential. Additional information, such as the CACFP Income Eligibility Form, is requested solely for the purpose of completing governmental reports, grant applications and audits. Your assistance in completing all information is necessary for FCCC to remain in compliance with the CACFP. Requests to release information must be made in writing to the Executive Director.

## **PARENT INVOLVEMENT**

Parents are encouraged to become actively involved with the program by volunteering to assist with programs, participate in family events and projects, or share skills and interests with the children. You will be kept apprised of program information and community affairs through flyers, newsletters, our web site, Facebook and the Parent Information Board located at each site.

## **CUSTODY**

- A custodial parent has a right to be admitted to the site when their child is in care.
- Appropriate legal documentation shall be on file when a custodial parent or the court system denies the non-custodial parent visitation or permission to pick up a child.

## **ILLNESS**

In order to maintain the health and safety of all children the Department of Social Services Division of Licensing requires that all licensed child care centers adhere to the following regulation.

### **22 VAC 15-30-570. Preventing the spread of disease.**

- A) A child shall not be allowed to attend the center for the day if they have:
  - 1) A temperature over 101°F;
  - 2) Recurrent vomiting or diarrhea; or
  - 3) A communicable disease.
- B) If a child needs to be excluded according to subsection A of this section, the following shall apply:
  - 1) Arrangements shall be made for the child to leave the center as soon as possible after the signs or symptoms are noticed; and
  - 2) The child shall remain in the designated quiet area until leaving the center.
- C) When children at the center have been exposed to a communicable disease listed in the Department of Health's current communicable disease chart, the parents shall be notified within 24 hours or the next business day of the center's having been informed unless forbidden by law, except for life threatening diseases, which must be reported to parents immediately.
- D) The center shall consult the local department of health if there is a question about the communicability of a disease.
- E) When any surface has been contaminated with body fluids, it shall be cleaned and sanitized.

To remain in compliance with the above regulation the Executive Director must be notified within 24 hours if a child or a member of the immediate household contracts a contagious illness. Life threatening diseases must be reported immediately. FCCC is required to post a written notice on the Parent Bulletin Board informing parents of the presence of the illness in the program. All identities will be kept confidential. Children must be free of fever, vomiting, and diarrhea for 24 hours before returning to FCCC.

## **HEALTH CHECKS**

Health checks will be taken at arrivals and departures. All temperatures will be documented. Children will wash hands after arrivals and before departures. Children with a fever will not be permitted to stay. In the event that your child shows signs of illness, they will be quarantined and you will be notified to pick-up your child immediately. Children will be contained to their assigned classrooms or designated area for their entire stay as to maintain social distancing.

## **COVID-19 SYMPTOMS AND NOTIFICATION AGREEMENT**

FCCC is committed to providing a safe environment for the children in our care as well as for our staff. In order to achieve this goal, FCCC is requiring parents to agree to the following terms as part of our enrollment process. Please note, these terms are non-negotiable and are vital for the safety and security of our community.

The Agreement states: I agree that my child is attending care with none of the symptoms listed below, and that I will inform FCCC if my child has exhibited any of these symptoms within the last 48 hours: fever or chills (fever of greater than 100 degrees Fahrenheit), cough, shortness of breath or difficulty breathing for unknown reasons, fatigue, muscle or body aches for unknown reasons, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea.

I agree to notify FCCC immediately if: my child or someone in my household is placed in quarantine, or has been in quarantine within the last 14 days; my child or someone in my household tests positive for COVID-19; my child or someone in my household has been exposed to someone who tested positive with COVID-19. I agree that failure to abide by this agreement can result in removal from the FCCC program.

Social distancing guidelines will be maintained and face coverings will be required for children and parents. Please make sure your child wears a clean face covering daily, they will not be permitted to stay without an approved face covering. Gaiter style masks are not permitted.

## **FACE COVERING POLICY**

In order to protect our staff and the children in our program, as well as to comply with the Centers for Disease Control, the Virginia Department of Health, and the Virginia Department of Labor and Industry guidelines, FCCC is requiring that all individuals be masked during the sign-in and sign-out process, or any other time that social distancing cannot be maintained indoors or outside. Individuals signing a child in and out must come within range of a staff member and are required to wear a mask. Any violation of this poses a direct risk to the staff and children and may result in removal from the program.

## **MEDICATIONS**

FCCC will only administer medications required for emergencies or by law. Emergency Medications include any medication needed for any severe adverse reactions to foods and/or environmental allergens. Emergency medications are also defined as medications needed for a child with special health care needs. All emergency medications must be in the original container with the prescription label affixed. The dosage amount and time to be administered must match the dosage amount and administration time on the medication container label. The medication label must contain the first and last name of the child to whom the medication is to be administered. An FCCC Emergency Medication Authorization form must be completed by both the parent and signed by the prescribing physician. Authorization to administer the emergency medication is valid for 12 months.

- All enrollees with severe allergies, food or environmental, must have the appropriate paperwork and medication at FCCC.
- FCCC does not have the ability to keep medication refrigerated.
- Children are not permitted to deliver or self-administer medication to be taken during program hours.
- Due to the possibility of adverse reactions, the program is unable to administer the first dosage of any new medication.
- Parents must transport all medications from their site to Holiday and Teacher Work Day Care.

## **INDEMNIFICATION AGREEMENT**

FCCC is requiring parents to agree to the following terms as part of our enrollment process:

In consideration of participating in FCCC's School Year Program ("the Program"), and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence, FCCC and its directors, officers, employees, agents, volunteers, participants, and all other persons or entities acting for them (hereinafter collectively referred to as "Releasees"), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

1. I expressly accept and assume all of the risks inherent in participation in the Program or that might have been caused by the negligence of the Releasees. My child's participation in the Program is purely voluntary and we elect to participate. If at any time I believe that event conditions are unsafe or that my child is unable to participate due to physical or medical conditions, then I will immediately discontinue participation;

2. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from any and all claims, demands, or causes of action which are in any way connected with my child's participation in the Program arising from negligence. This release does not apply to claims arising from intentional conduct or conduct that constitutes greater than ordinary negligence. Should Releasees or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs;
3. I further represent that my child has no medical or physical conditions which could interfere with the child's safety in the Program;
4. In the event that I file a lawsuit, I agree to do so in the state of Virginia, and I further agree that the substantive law of that state shall apply; and

Your signature also allows FCCC staff to apply sunblock when necessary. If your child has an allergy or sensitivity to sun block we ask that you provide sun block for them. Sun block and/or insect repellent must be in their original containers labeled with your child's name. An authorization form must be completed in order to apply insect repellent.

- I will be honest, fair and responsible.
- I will use my hands responsibly.
- I will only use appropriate language when speaking to others.
- I will follow the FCCC rules.

## DISCIPLINE

The goal of discipline is to assist the children in developing the skills to solve problems independently, without physical or verbal aggression. Staff will model appropriate conflict resolution techniques and will be available to assist children in resolving conflicts.

Other acceptable methods of discipline employed by FCCC include positive reinforcement, time out, redirection and discussion intended to solve a dispute, and, combinations of each of these strategies as appropriate to the child and the circumstances. Unacceptable measures of discipline such as physical punishment or withholding food will not be used.

Upon recommendation from an FCCC staff person, the Executive Director reserves the right to restrict a child from a field trip or special activity as a consequence of unacceptable behavior. If a child is denied the privilege of attending a field trip, it will be the responsibility of the parent to provide alternate care for that day. FCCC reserves the right to remove a child from the program when parents fail to support the program. Failure to follow the FCCC policies, engaging in inappropriate behavior or language will result in dismissal from the program.

- **Third Infraction:** Removal from the program for 30 calendar days, or appropriate time as determined by the Executive Director. Written Incident Report and a meeting with the Executive Director and appropriate staff. Parent signature required. Fees are not refunded.

## BULLYING POLICY

FCCC will not tolerate physical aggression or stealing. Children engaging in such activity are subject to expulsion at the discretion of FCCC. Bullying among children is understood as a negative act or acts committed by one or more students against another, having an intimidating, detrimental, or hurtful effect. Bullying is defined as direct behaviors, such as teasing, taunting, or threatening which are initiated by one or more children against another child. In addition to direct acts, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Such prohibited conduct includes (in addition to those bullying behaviors described above), but is not limited to, any verbal, written, electronic, physical or mental teasing, or threat of bodily harm directed toward another child.

If a child at FCCC is bullying or is involved in bullying another child the following actions will be taken.

- **First infraction:** A verbal warning will be issued to the child along with a written warning to be given to the parent. The written warning will require signatures from both the parent and the child.
- **Second infraction:** Child may be suspended from program for up to 5 days.
- **Third infraction:** Child will be removed from program until such time as the child's parent(s) has met with the Executive Director who will determine the child's eligibility to re-enter the program.

In following these procedures, we aim to encourage improvement in your child's conduct. The procedure is not necessarily a progressive one and we reserve the right to initiate the process at any stage, including termination from the program, or to jump stages if your child's conduct warrants such a decision.

## THREATS

All potential threats whether verbal or physical are taken seriously at FCCC. If a child threatens another child or a staff member, the following protocol will be followed. The child will receive an incident report. The child may be suspended from FCCC for up to 30 days depending on the incident. Tuition is not prorated or refunded for suspensions.
