Winter Time Is Coming!

Bring on the snow for us snow lovers! We will do a Snow Prediction Chart here at FCCC before Winter Break. Let see who can get the closest to the date of our first cumulative snow fall. For the bonus lets see if you can guess the exact amount. Parent's you can participate as well. When we start taking predictions we will let you know!

This month we will be making ornaments that the children will be able to bring home to decorate for the holidays. We know many families have tradi-

tions that happen every Holiday Season. We would like to hear what your family does to celebrate. Here are some of the Staffs' Holiday Traditions:

Ms. Teresa - Get our Christmas tree the day after Thanksgiving and we decorate the house inside and out as a family.

Ms. Judi - Opening one present on Christmas Eve

Ms. Divine - Left/Right Gift Exchange Poem

Ms. Abbie - Christmas Eve Party with Relatives!

The cooler temperatures are here! Please remember to

have your child bring a light jacket for when we go outside to play.

Below you will find a simple craft you and your children could do at home together.
