

DECEMBER NEWS

Brrrr! It's starting to feel like winter! If your family or someone you know are in need of warm clothing or heating assistance, please reach out, there are many local resources that are ready to help.

During the colder, darker afternoon/evenings we will be looking at more inside play days. With this comes the opportunities to focus more on peer social games like board games, card games, group games. We will have the gym to use, as well, for physical activity and group games.

With the cold intensifying, so are the seasonal illnesses. Therefore, our social distancing, proper mask wearing, hand hygiene and the cleaning of play space/items will be a priority.

Have a wonderful winter and of course, stay safe, stay warm and stay healthy.
