## FRUIT 'PIZZA'

### Slice the melon

You want roughly 1-inch-thick round slabs.

### Top

Spread the yogurt over the watermelon and top with your choice of fruit, like strawberries, raspberries, blueberries, grapes, shredded coconut- the options are endless!

### Slice and serve

Once your summer pizza is done, slice it into 4-6 triangles and serve.

May's birthstone is the emerald, which is emblematic of love and success.

The official birthday flower of May is the delicate and fragrant lily of the valley. The lily of the valley is said to represent sweetness, motherhood and humility. It is no coincidence that Mother's Day also occurs in May.
