Hey all, this year is flying! We are going into the Holiday season. I can't wait to spend time with family and friends and also eat lots of good food. This month, we plan to spend as much time outside as we can before it starts getting really cold. Please dress your children accordingly. Speaking of colder weather, we will be starting a snow prediction chart - what date you think the first snowflake will fall and also how much snow you think we will get all winter? We also plan on continuing fall crafts and learning more gym games.

Happy  
Birthday

To All November parents and children!

If your child has a  
schedule change,  
please let us know by  
phone or email!!

Important Dates

November 7th - FCCC Closed  
November 8th - Holiday care at  
HM Pearson or PB Smith  
\$25 per child  
November 23-25th - Closed

Easy Turkey Craft to do with Children

Supplies: Paper Plates, Red, Orange, Yellow Paint, Brown, Orange, White, Red Construction Paper, Black Marker.

\* Using a sponge, paper towel, fingers, etc., paint the paper plate by blotting it. While that is drying, cut out the pieces for the turkey face. When the paint is dry, glue the turkey face on.
