

FCCC H M Pearson Newsletter

Welcome to November!!! We have made it to turkey month!! So, this month, along with fall projects we will be working on turkeys and other Thanksgiving projects. I keep a lot of the projects to decorate our boards in our space. If you would like to see our boards then check us out on Facebook at Fauquier Community Child Care. Like our page and you will see when we post stuff. When you come in to get your children or drop them off our boards are pushed back so you cannot see everything we do.

Just a few reminders, it is getting cold so remember we will still go outside to play. Please send children dressed for the weather with jackets or coats, hats, etc.! ☺ If your child is showing any sign of fever cough, sneezing, runny nose please keep them home. We never know what's going on with that GERM MONSTER! He is always up to something.

If your child has been diagnosed with COVID 19, please keep them out for 5 days and then have them wear a mask for 5 day when they return to school/FCCC. Please call and let us know they are out sick. Thank you!

Contact us! 540-788-1548 or by email at hmperson@fccvva.org. You may reach out anytime. Please remember to let us know if your child will not attend FCCC in the afternoon, send email or call and leave a message. Thanks for all that you do, you guys are amazing!!!!

Just some information about November

- National Men Make Dinner Day: the first Thursday in November (some of us think this should be every Thursday, year-round, but what do we know?)

November 18, 1928

▲ Mickey Mouse made his debut in Walt Disney's movie Steamboat Willie, one of the first cartoons with sound. Mickey went on to appear in 130 films
