NOVEMBER NEWS

THIS MONTHS LEARNING AND ACTIVITIES:

For the month of November, the children will be learning some new group games to play indoors and out, weather permitted. The children will be creating some fall artwork and doing some fall festive activities. We will be checking out nature and the turn of the leaves and discussing what colors we see outside and what colors are the signs of fall. We will be discussing what we are thankful for being that the Thanksgiving holidays are approaching us fast. We will be creating turkeys out of creative items around our center. We will create a board asking the children to write what Thanksgiving means to them.

NOTES REMINDERS & TIPS:

Parents please dress your child for the weather for we do go outside, weather permitting. If your child is sick and has a fever, please keep them at home to maintain the safety of our center and the other children. We are doing great keeping each other safe. Thank you for all you do! If your child is parent pick up or riding on the bus, please inform your child's school office and FCCC so we all know what your child is doing that particular day. Thank you in advance.
